

### **Dr. Georges Romero**

Anesthesiologist and Intensivist, with more than 20 years of experience in different establishments (University Hospital, Cancer Centers, Private Health Establishment of Collective Interest), with several years' experience in surgical intensive care, followed by anesthesia and cancer intensive care. He had positions as department manager, quality director and director of technical platforms, Georges has, right from the beginning of his career, invested in the culture of error and the improvement of medical practices in the service of patient safety.

Graduate in organization and quality of operating theatres, he has been involved in the College of Anesthesia (CFAR from 2007 to 2020) for the health professionals accreditation and in the French High Authority of Health (HAS) for the Certification of health care institutions (from 2016 to 2021).
