The Event EMT-26-09688 is compliant.

Dear Mirka Cikkelova,

We refer to the Event **"European Patient Safety Conference 2026"** (EMT-26-09688) mentioned above. We are pleased to inform you that upon thorough assessment the Event has been determined as **compliant** with MedTech Europe Code of Ethical Business Practice and EFPIA Code of Practice.

As a reminder, MedTech Europe and EFPIA members may only provide support to an Event organised by medical societies, professional conference organisers or other third parties that was assessed compliant by Ethical MedTech.

For any inquiries or additional details about this Event, please use the platform. Information sent by emails will not be considered.

For guidance on using the platform and more information on the CVS review process, please refer to www.ethicalmedtech.eu.

Sincerely,

CVS Team

* For the assessment, we relied on the provided documents and information. We

have not, independently, verified the accuracy of this information or documents nor have determined whether they are up-to-date

This decision does not take into account national and local laws, regulations or professional and company codes that may impose more stringent requirements upon MedTech Europe and EFPIA members, members of local associations, Healthcare professionals and/or conference organisers.
