Dr. Eva Potura (Austria)

**Head of the Department for Quality Assurance and Patient Safety,
Gesundheit Österreich (GÖG)
and Chair of the Austrian Second Victim Association**

Dr. Eva Potura is an Austrian anesthesiologist, intensive care physician, and emergency physician. She serves as Head of the Department for Quality Assurance and Patient Safety at the Austrian National Public Health Institute (Gesundheit Österreich GmbH).

In addition to her leadership role, Dr. Potura continues to practice as an emergency physician. She is the founder and chair of the nonprofit organization Second Victim Austria, which supports healthcare professionals following critical incidents.

Her work and research focus on patient safety, healthcare quality improvement, clinical risk management, and resilience among healthcare professionals.
