### **Ms. Anna Teufel (Austria)**

Health Expert, Department for Quality Assurance and Patient Safety,  
Gesundheit Österreich GmbH (GÖG)

Anna Teufel is a sociologist specialising in public health and works as a health expert at Gesundheit Österreich GmbH (GÖG), Austria's national public health institute, in the Department for Quality Assurance and Patient Safety.

Her work focuses on patient engagement and participation as key elements of patient-centred, safe, and high-quality healthcare. She was involved in establishing the Austrian Patient Council and continues to work on its development and activities.

Her professional interests include patient safety, quality improvement, and patient participation.
