Mrs. Michelle Bayona (Germany)

Chair, Fokus Behandlungsfehler e.V.,

Patron, Lines Vermächtnis (Line's Legacy)

Michelle Bayona is Chair of Fokus Behandlungsfehler e.V., a German patient advocacy organisation, and patron of Lines Vermächtnis (Line's Legacy), a patient safety initiative created in memory of her daughter Line and developed together with the Deutsche Gesellschaft für Patientensicherheit, supported by DAK.

The initiative aims to establish parents' observations as a recognised safety signal in paediatric care and to support reliable processes for recognising and responding to clinical deterioration in children.

Her work in patient safety is voluntary. Professionally, she works in communications in the NGO sector.
