

Dr. Gundo Weiler (Denmark)

WHO Representative to Greece,
Head of WHO Athens Office for Quality of Care and Patient Safety

Dr Gundo Weiler currently serves as WHO Representative to Greece and Head of WHO's Office on Quality of Care and Patient Safety in Athens. He has more than 25 years of experience with WHO, supporting countries across Europe, Asia and Africa in developing integrated approaches to health, development and emergencies.

In WHO, Dr Weiler has held senior roles at Headquarters and in regional and country offices, including in the Western Pacific, Philippines and Ukraine. Prior to joining WHO, he worked for NGOs, government agencies and in hospitals in Germany, France and Australia. Dr Weiler is a physician by training and holds a PhD in Social Medicine and a degree in health systems management.
